REMARKS

Applicant respectfully requests reconsideration of this application as amended. Claims 19 and 20 are pending in the application. Claim 19 have been canceled. Claim 20 has been amended to include the following features:

> wherein, if the confidence level received from the server computer is higher than a predetermined level, the client computer transmits an additional test image of a lower resolution to the server computer, and if the confidence level received from the server computer is lower than the predetermined level, the client computer transmits an additional test image of a higher resolution to the server computer.

Applicant respectfully submits that the cited art does not include this feature.

If there are any additional charges, please charge Deposit Account No. 02-2666 for any fee deficiency that may be due.

Respectfully submitted,

BLAKELY SOKOLOFF TAYLOR & ZAFMAN LLP
